

2023 In Season Rebate Program

We understand the impact that inflation has had on American Farmers and Ranchers.

For all purchases of John Deere net wrap from your John Deere dealer, between March 1, 2023 and August 31, 2023, Tama USA will issue a rebate of \$10 per roll purchased to the individual end user.

This rebate is only valid on retail sales by John Deere dealerships directly to the individual end user.

See your John Deere dealer and make your purchase now to take advantage of your John Deere dealer's special In Season Program and the special rebate from Tama USA on JD TT+ Edge to Edge[®] netwrap material, TT+ CoverEdge[™], and John Deere B-Wrap with the John Deere Logo.
